

Lone Rangers

International Trip

Comic Strip

In old style annuals and girls comics
You used to get cartoon comic strips.
These were a fantastic way to bring a
story to life.

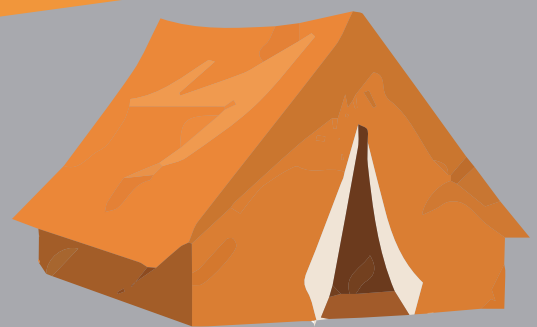

The challenge this week is to create your
own Rangers International adventure
comic strip.

You can draw your cartoons in
any style you want in the frames and
then write your dialogue in speech
bubbles. Your adventure can take
any route as long as it starts on a
Rangers International trip.

Some ideas could be...

- Rangers discovering hidden treasure
- Rangers learning something new
- Rangers time travelling to the past on a camp
- Rangers in the 1940s during World War 2
- A Ranger holiday in the future

Or any other ideas that you have.
